The [Property Flip Mortgage](#) allows financing of up to 80% of the [After-Renovated Value](#), which means you can put as little as \$10,000 down and have more capital to renovate and resell or refinance the property. We conduct our own [Same Day No-Fee Valuation](#) to allow you to take advantage of [Quick Closings](#).

Calvert can provide a [Flip Analyzer](#) spreadsheet to assist Mortgage Brokers, Real Estate Investors and Borrowers with determining whether or not your project is likely to be profitable. Contact our office to get yours today.

\*Net profits are not guaranteed and will vary depending on the flip project. Interest rates are determined on a deal by deal basis and can change based on several different factors. We believe in the success of our clients: we'll help where we can.
