The Property Flip Mortgage with Calvert Home Mortgage allows financing of up to 80% of the After-Renovated Value, which means you can put as little as \$20,000 down in Ontario or \$10,000 in Alberta and have more capital to renovate and resell or refinance the property. Our rates for the low down payment are 15.5% and can go as low as 7.99% with 25% or more down (subject to due diligence). We conduct our own Same Day No-Fee Valuation to allow you to take advantage of Quick Closings.

*Net profits are not guaranteed and will vary depending on the flip project. Interest rates and fees are determined on a deal by deal basis and can change based on several different factors. We believe in the success of our clients: we'll help where we can.
